

Energy and Environmental Systems

Waste Heat Recovery Systems

- Particulate Removal
- Increased Boiler Efficiency
- Water Recovery

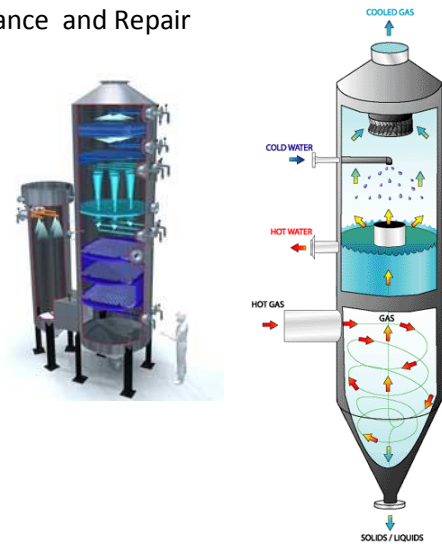

VOC Control Systems

- Regenerative, Recuperative, and Direct Fired Thermal Oxidizers
- Thermal and Catalytic Oxidizer Maintenance and Repair
- Upgrades and Retrofits
- Media/Catalyst Changeout

Particulate Control

- Mist Eliminators and Dry Scrubbers
- Wet Gas Scrubbers
- Wet Electrostatic Precipitators

Odor Control

- Biofilters for odor and VOC control
- Aerators and Degasifiers
- Odor Control Scrubbers

NOx Control Systems

Gas Separators

- Coalescers
- Filter-Separators
- Mist Eliminators

Engineered Dampers

- Louver
- Butterfly
- Poppett

Natural Gas Services

- Meter and Regulator Station Design and Fabrication
- Natural Gas Pipeline Design and Project Management
