

Natural Gas Pipeline Equipment and Controls

Regulators and Valves

- Pilot Operated Pressure Regulators
- Self Operated Pressure Regulators
- Globe Style Control Valves
- Ball Valve Pressure Regulators
- Catalytic Pilot Heaters
- Pilot Operated Safety Relief Valves
- Trunnion Mounted Ball Valves
- Plug Valves
- Check Valves
- Silencers

Gas Meters

- Ultrasonic Gas Flow Meters
- Rotary Meters
- Coriolis Meters
- Orifice Meters
- Gas Flow Computers
- Volume Correctors
- Orifice Plates and Fittings
- Meter Tubes and Flow Conditioners

Gas Conditioning Equipment

- M&R Station Design and Fabrication
- Gas Filters and Coalescers
- Prefab Meter and Regulator Skids
- Quick Opening Closures
- Prefab Pipeline Assemblies
- Pipeline Heaters
- Odorant Injection Systems
- Strainers

Instrumentation and Controls

- Pressure and DP Transmitters
- Digital and Mechanical Pressure Gauges
- I/P, E/P Transducers
- Digital and Pneumatic Controllers
- Digital and Mechanical Chart Recorders
- Telemetry and SCADA
- Instrument Air Filter Regulators
- Solar Power Systems
- Battery Backup Systems
- Valve Actuators and Positioners
- Instrument Valves and Manifolds
- Monolithic Insulating Joints
- Tubing and Tube Fittings

Gas Analysis

- Gas Chromatograph Systems
- BTU Analyzers/Wobbe Index
- Odorant Detection Instruments
- Moisture Analyzers
